Local Law 15 of the year 2023

(Insert Title)

A local law amending the provisions for the maintenance of construction sites.

Be it enacted by the Board of Trustees of the
(Name of Legislative Body)

County
City
Town of Kings Point
Village

Section 1. Subdivision 20, of subsection B, Building construction site maintenance, of § 117-2.1, Building construction sites, of the Code of the Village of Kings Point, is hereby amended to read as follows:

“(20) The subject premises shall be protected at all times from soil erosion onto other properties, including, but not limited to roads, wetlands, and waterways by use of New York State Standards and Specifications for Erosion and Sediment Control Best Management Practice Methods as required by all applicable laws, but, in any event, by no less than the placement and the maintenance in good condition of continuous rows of salt-hay bales, silt fencing, crushed stone, geotextile fabric, mulch, and raised berms to the satisfaction of the Superintendent. Stockpiles of extra fill shall not be located within 20 feet of any property line and shall be protected with erosion control or removed from the subject premises as necessary in the discretion of the Superintendent. Erosion control material shall be monitored regularly and immediately after a rain event so that such material is functional and in good and sufficient condition at all times.”

Section 2. Said subsection B is further amended by adding a new subdivision 37, to read as follows:

“37. All construction sites shall install and maintain a mailbox at a location and in the form approved by the Building Department for the receipt of mail and other communications from the Village.”

Section 3. Effective date. This local law shall take effect immediately.
